

Assigning statements

Assign the following statements from the films to the corresponding part of a Dios es Amor project:

People have gathered for a ceremony of commemoration.

Señora Grimalda is getting a patient ready for the doctor.

The youngest ones certainly seem to be enjoying it.

They love using the games equipment set up on the Dios es Amor land.

The children like singing and painting with them.

This is especially true of rice – a staple food in Peru.

Their aim is to lead a better life than their parents.

On top of that they have to learn how to make things by hand.

Violetta, a trained nurse, is giving a course in first aid.

For those really interested there is even a simple computer course.

Used clothes in good condition are readily accepted.

From time to time, students and teachers call on the care project.

Word about the arrival of the helpers from Lima has spread quickly.

The children will long remember this day, a landmark in their lives.

Old people from the slums receive neither a pension nor support from the Peruvian state.

After singing together, youths and some of the mothers serve the food.

Pedro has to go to hospital.
